

Autumn / Winter 2011
UNITED KINGDOM

Message from the Thompsons

The Thompsons at the new Scentsy campus.

Welcome to Scentsy's first autumn season in Europe! As the days grow cool and the leaves change colour, we prepare for autumn and the coming winter months. Cozy blankets replace the crisp linens of summer; layers of sweaters and scarves add toasty warmth on blustery days.

Let Scentsy add layers of fragrance to your home as well! This season, we are excited to offer 80 Scentsy fragrances in Europe, including frosty *Whiteout*, cosy *Christmas Cottage*, and fresh *Titanium*.

You can now layer Scentsy fragrance in the most fun and personal way with our new Scentsy Solid Perfume! Partnering with the best perfumers in the world, we reformulated five of our most beautiful scents, elevating Scentsy fragrance to a fine-fragrance perfume. Apply it to pulse points on the wrists and neck, and notice how it glides on like silk. Choose the scent that speaks to you, and wear it wherever you go.

Children can now experience Scentsy fragrance, too! Scentsy Buddy stuffed animals come alive with fragrance when you insert a Scent Pak in the Buddy's zippered pouch. Available in Europe for the first time, a Scentsy Buddy is the perfect holiday gift!

This is the most exciting autumn season ever at Scentsy! Our product line is growing, and we are growing, too! We are breaking ground as a world-class fragrance company—and breaking ground as we build a world-class home office complex to support our family of Consultants, party Hosts, and customers.

May our new products delight you, warm you, and inspire you this autumn and beyond!

Heidi and Orville Thompson

The Scentsy Mission

To bring value to the world by providing an industry-leading, family-friendly business opportunity selling creative, artistic, high-quality products that **Warm the Heart, Enliven the Senses, and Inspire the Soul.**

The Scentsy Story

Scentsy began with a simple idea—a safe, wickless alternative to scented candles—and quickly grew into one of the most successful direct selling companies in the industry. This wickless candle concept was born when two stay-at-home moms began selling decorative warmers designed to melt scented wax with the heat of a light bulb instead of a traditional wick and flame.

Entrepreneurs Heidi and Orville Thompson encountered the small company at a home show in early 2004. They were intrigued by the powerful emotions and memories fragrance brings to the surface—without the safety risks of a burning candle. Heidi and Orville purchased the tiny company and moved Scentsy to Meridian, Idaho, USA, where the company's first home office was a 40-foot shipping container on a small sheep farm.

Scentsy joined the Direct Selling Association (DSA) of the United States in 2004 and enrolled its first Independent Consultant. Since then, the company has expanded operations, hired a strong executive team, and received numerous awards for its growth and ethical business practices.

In just seven years, Scentsy has generated more than \$900 million (USD) in revenue. Today, the company's family of passionate Independent Consultants shares the Scentsy experience throughout the United States, Canada, and Europe.

A Simple System

In Europe, Scentsy warmers use a heating element to slowly melt specially formulated wax. With no flame, smoke, or soot, the Scentsy wickless candle system is a safe way to enjoy 80 Scentsy fragrances.

Full-Size Scentsy Warmers

Make a statement in any room. Express your individuality or enhance your décor. Approximately 11 cm wide and 15 cm tall. £30 each*

Mid-Size Scentsy Warmers

All the beauty and charm of a Full-Size Scentsy Warmer in a slightly smaller size. Approximately 10 cm wide and 13 cm tall. £25 each*

1 Plug it in.

2 Place one or more sections of a Scentsy Bar into the warmer dish.

3 ENJOY!

To change wax in Full-Size and Mid-Size Scentsy Warmers, pour completely melted wax into its original packaging, then clean the warmer dish with a paper towel. If the wax is still fragrant and you wish to reuse it, store the used bar in a cool place. Discard wax if fragrance is depleted.

[G] Scentsy warmers with this symbol are crafted of porcelain that will glow from within when lit.

R Reactive-Glaze Finish

Scentsy warmers with this symbol are one-of-a-kind, created with a reactive-glaze process (glaze is applied and “reacts” to heat in the kiln). The result is a hand-crafted look. Every Scentsy warmer is unique and colour may vary from photos shown in the catalogue.

Two Charlemagne warmers showing possible colour variation.
